

REMARKS

Claims 26-44 remain in the application. Claims 1-25 have been canceled in the previously-filed divisional application papers. Claims 28, 39, and 43 are amended by replacing "destroyed" with --changed--. With regard to Claim 28, the basis for this change is found in the specification on page 14, paragraph 0066 and on pages 15-16, paragraphs 0077, 0078, and 0080. That the extended conjugation is --changed-- finds further support on page 15, paragraph 0074. With regard to Claim 39, the basis for this change is found in the specification on page 32, paragraph 0138 and on page 28, paragraph 0127. With regard to Claim 43, the basis for this change is found in the specification on Page 41, paragraph 0163. That the conjugation is --changed-- finds further support on pages 41-42, paragraph 0171.

Claim 43 is also amended to clarify that the folding is *about* the second portion and that the stretching is *of* the second portion.

The specification is amended (1) on page 13, paragraph 0057 to break the paragraph into two separate paragraphs, for clarity and (2) on page 14, paragraph 0066 to be consistent with replacing "destroyed" with --changed--.

The foregoing amendments to the specification and claims do not introduce new matter. The Examiner is respectfully requested to enter this Amendment. If the Examiner has any questions, he is invited to contact the undersigned at the below-listed telephone number. HOWEVER, ALL WRITTEN COMMUNICATIONS SHOULD CONTINUE TO BE DIRECTED TO: IP ADMINISTRATION, LEGAL DEPARTMENT, M/S 35, HEWLETT-PACKARD COMPANY, P.O. BOX 272400, FORT COLLINS, CO 80527-2400.

Respectfully submitted,
